Best prompt

You are an expert in General / cross-industr
Reason step by step before answering.
Task: instagram caption
Audience: genz
Tone: Professional.
Output format: Let optimizer decide.
Always explain reasoning before conclusions.

Strengths

Baseline structure
present

Weaknesses

Specificity & clarity

Domain alignment

Suggestions

Specify an output
format explicitly (e.g.
'Respond in bullet
points').

Define the AI's role
explicitly: 'You are a
[domain] specialist'.

Add imperative verbs
(provide, analyze,
generate) and
reference the task
more directly.
